Subject: Public Hearing Testimony

Dear Co-Chair Winfield, Co-Chair Stafstrom, Vice Chair Flexer, Vice Chair Blumenthal, Ranking Member Kissel, Ranking Member Fishbein, and all members of the Judiciary Committee:

I am against SB 16. If you really cared about reducing crime, you'd reduce crime. Making more lawful gun owners the target of your laws will accomplish nothing...except maybe get some elected. In my home, we vote for the Second Amendment and for Liberty.

I am also against HB 5416. What makes you think that limiting how many guns I purchase will have any effect on crime?? I have every right to lawfully buy how ever many I want. My guns have never caused crime.

I am for HB 5415. Unless the state wants to reimburse me for my property, I should be able to transfer these items lawfully to another permitted person.

Additionally, I am also for HB 5412. A person's right to self-defense shouldn't end in church. Just look to the event that happened in Texas to know that that man saved lives!!!

Lastly, know that I also support SB 388 for the same reason.

Sincerely

Paul J Pressley

Trumbull CT
